

COALFIELD SERVICES

**DELIVERING QUALITY,
VALUE AND SUSTAINABILITY**

SHANE & AMANDA WATTS
[DIRECTORS]

OUR SERVICES

Coalfield Services focus on a commitment to create value for our clients. We deliver on this commitment through fostering positive long-term relationships, built on attentiveness, responsiveness and cost effectiveness, to achieve sustainability for our operations and the clients who engage our services.

Specialising in civil construction, land rehabilitation, wet and dry hire of earth moving equipment, grounds maintenance and labour hire within Queensland's Bowen Basin.

WHY CHOOSE US

Our business model is formed around our ability to:

- 1** Deliver safe and quality service outcomes to the mining, commercial and agriculture industries.
- 2** Recruit and sustain a workforce of transferable and multi-skilled people.
- 3** Supply a fleet of modern plant and equipment with the ability to deliver small to large scale projects.

Our experience is gained from many years working with clients in various industries providing small to large scale customised solutions.

We are proud to be able to meet client operational requirements through a number of expert capability services.

ABOUT US

Coalfield Services is a privately owned family business located in Collinsville, Queensland. Coalfield Services was established in 2004 and is constantly evolving to become a leading small size contractor in the area.

Shane and Amanda were raised in Collinsville and continue to reside in the locality. Inspiration comes from the community in which their business operates.

Coalfield Services look forward to supporting your organisation to meet its operational requirements.

CIVIL AND CONSTRUCTION WORK

Our knowledge and experience with civil construction enables us to deliver high quality workmanship, specialising in:

- Earth excavation
- Rock excavation
- Topsoil excavation
- Clearing and grub works
- Drainage works
- Water reticulation
- Land rehabilitation
- Roadways repair
- Culvert installation
- Erosion control

WET AND DRY HIRE

We offer a fleet of modern mobile plant and equipment for wet or dry hire. Our equipment is stringently maintained and serviced by our maintenance workshop to minimise equipment downtime and keep your operations moving.

GROUNDS MAINTENANCE

Our grounds maintenance services include:

- Mowing, weeding, pruning, edge trimming and mulching
- Weed spraying
- Water reticulation installation and maintenance
- Garden debris and litter removal.

LABOUR HIRE AND RECRUITMENT SERVICES

We specialise in flexible and cost-effective recruitment and labour hire solutions. We offer a tailored solution to match the operational requirements of our clients. We offer a team of multi-skilled surface mobile equipment operators and labour personnel.

OUR DIFFERENTIATORS

At the core of our successful growth is our ability to form and build strong, trusted and long-term working relationships with our clients. Here are some of the reasons that clients continue to engage our services:

- Endeavour to understand the needs of our client's industry
- Go the extra mile, beyond the scope of contract and exceed client expectations
- Prompt and responsive to the requests of our clients
- Ability to quickly and effectively adapt to change in a rapidly changing business environment to suit global economic climates
- Full site compliance with client integrated management systems
- Our equipment and multi-skilled operators are able to mobilise rapidly to suit client needs.

OUR VALUES

We operate under the values of:

INTEGRITY: We choose to do the right thing by conducting ourselves honestly, respectfully and adhering to good moral and ethical behaviours.

RESPONSIBILITY: We are accountable for our team work performance and outcomes.

REPUTATION: Our reputation is of fundamental importance to the success of our operations. We pride ourselves on executing our services, safely, on time and within budget.

OUR HSEC COMMITMENT

HEALTH AND SAFETY

We place a strong emphasis on the health and safety of our people and the interests of our clients. This ethos is paramount to the way we conduct our business activities. We apply sound risk management principles in every task we undertake. We proudly achieve strong health and safety performance working in high compliance environments such as mining, agriculture and civil construction.

ENVIRONMENT

We are committed to taking care of our environment. We achieve our commitment by proactively identifying and assessing our environmental aspects and impacts of our business activities. We implement appropriate control measures to eliminate and/or reduce our environmental footprint.

COMMUNITY

We actively promote initiatives to support the community in which we live and work, to contribute to the local health and economic sustainability of our local community. Where possible we:

- Source local materials and resources to support local businesses
- Provide local employment opportunities
- Sponsor and donate to local community groups and events.
